**Re: U.S. v. Gregory Graves
01-CR-6051**

Dear Judge Telesca,

Pursuant to this Court's scheduling order, the defense has until May 5, 2006 to file any responsive pleading to the Government's motion. I still need additional time to review the various and voluminous paperwork, motions, briefs and transcripts filed in this case, and I need additional time to finalize the defendant's legal argument with regards to this matter.

In light of these developments, I would request to have the defense responsive pleading filings adjourned until June 5, 2006. I remain,

Very truly yours,

James P. Vacca
